

## **REPORTING INCIDENTS OF SEXUAL MISCONDUCT OR RELATIONSHIP VIOLENCE**

Rape, acquaintance rape, domestic violence, dating violence, sexual assault and stalking are serious crimes whether the act of violence is by a stranger or someone known to the survivor. The university strongly encourages and supports survivors to report the crime immediately to:

- University Police 620 235-4624 or at their office, Lower Level of Shirk Hall, 1501 South Joplin Street, or
- City of Pittsburg Police 620 231-1700 or at their office, 201 North Pine Street

As an alternative, the survivor may report the crime to the University's:

- Associate VP of Student Life 620-235-4945 or at their office, 221 Russ Hall, 1701 South Broadway Street, or
- Title IX Coordinator, 620-235-4186 or at their office, 218 Russ Hall

University personnel will assist in the report process if requested by the survivor. As a survivor, the individual has the option to decline to notify law enforcement or campus authorities. University procedures are designed to protect the student who has been hurt by these behaviors and to stop the offensive behavior. The due process rights of alleged offenders are protected, as well as the rights of the survivor.
